Hi Jerry.

Here's the tapes. Since the show (Sunday night--my favorite) ran into a 2nd tape, wanted you to have Bob and Patti doin' "Heaven's Door" which was something to see, I added on some selections from the other two shows, hopefully some of the rarer ones. I put on "Tangled Up In Blue" twice because on the Sunday show, the tape cuts out at the very end, and the song was incredible every night.

Anyway, hope you enjoy it.
